Approved for public release; distribution is unlimited.

Title: TA-55 Digitization Standards by Media Type

Author(s): Templeton, Patricia A.

Intended for: Share document w/ possible NSRC digitization customer (Pacific Northwest National Laboratory)

Issued: 2022-02-10

Los Alamos National Laboratory, an affirmative action/equal opportunity employer, is operated by Triad National Security, LLC for the National Nuclear Security Administration of U.S. Department of Energy under contract 89233218CNA000001. By approving this article, the publisher recognizes that the U.S. Government retains nonexclusive, royalty-free license to publish or reproduce the published form of this contribution, or to allow others to do so, for U.S. Government purposes. Los Alamos National Laboratory requests that the publisher identify this article as work performed under the auspices of the U.S. Department of Energy. Los Alamos National Laboratory strongly supports academic freedom and a researcher's right to publish; as an institution, however, the Laboratory does not endorse the viewpoint of a publication or guarantee its technical correctness.

TA-55 Digitization Standards by Media Type

Preservation Files

Media Type	Format	File Compression	Resolution	Bit Depth	Sampling Rate
